Premium fabrics for award winning projects

FABRIC FOR AWNINGS, CANOPIES, CABANAS, TENTS

Covin's Sundown solution-dyed acrylic fabrics are perfect for all outdoor applications, including awnings, cabanas, canopies or covers. They come in more than 98 solid vibrant colors and more than 104 unique stripe designs. For commercial applications we stock Marlen Top Gun® FR, Top Gun FR Lite, and Top Notch FR. In addition we stock WeatherMAX® FR. All these products pass the most stringent FR codes. Each product has its own look, colors, performance characteristics and applications. For tent structures and awnings we now offer 98-inch VIP-FR PVC-coated polyester in 40 vibrant colors with excellent characteristics for demanding outdoor requirements. Other outdoor fabrics include our "DUO" PVC-backed acrylic fabric that can be used two ways, and "Port" 13 once PVC-coated polyester fabric used in marine applications.
