

BAINBRIDGE INTERNATIONAL INC.

The best in industrial fabrics and hardware since 1917

FABRIC AND HARDWARE FOR AWNINGS, SHADE PRODUCTS, TENTS, SAILS AND COVERS

As both a converter and a distributor, Bainbridge International Inc. is a one-stop shop for fabrics, hardware and tools to complete your project. From grommets and fasteners to acrylics, vinyls and other high-tech products like aramid/carbon-based laminate materials, Bainbridge delivers!

Apart from our own lines of fabrics like AIRX and MPEX nylon spinnaker fabrics and SPX and HSXv woven polyester sailcloths, we represent just about every major fabric brand and many leading hardware manufacturers including: Sattler 745 Evolution & 745FR 98", Glen Raven Mills Sunbrella® and Firesist®, Marlen Fabrics Top Gun® FR and Top Notch®FR, Cooley Brite Lite®, Weathertyte Plus Lite and Weathermax. We carry a full line of clear glass including Strataglass® and Crystal Clear®, O'Sea® and Regalite clear PVC. We also carry awning tubing and fittings, Dabond® and Tenara® thread, webbings, fasteners and more.

With three locations, we cover the Northeast and Mid-Atlantic from our Canton, Mass., headquarters; the West Coast from our Huntington Beach, Calif., warehouse; and the Southeast metropolitan areas from our Pompano Beach, Fla., facility. We can ship to just about the entire U.S. within a couple of days. We also offer extended sales office hours, our own van delivery service within local ranges from our three locations, and same day UPS, FedEx or other shipping around the globe.

With hundreds of years of combined market knowledge, our multilingual sales force is fully equipped, trained and experienced to help you make the right decision about the latest fabric, hardware or tools. You can rely on our more than 100 years of experience to help you stay on track and ahead of the competition.

COMPANY PROFILE

Bainbridge International Inc., the original sailcloth manufacturer for leisure applications, began its story on the Boston waterfront in 1917. For more than 100 years the company has been a leading and innovative supplier to the following markets: marine, industrial, awning, flag, banner and cold air inflatables. Most recently, our Coverguard product has become the default choice for protective floor covering material.

While we cherish our extensive history, we look forward into our next century to continue with our primary objectives of bringing only the very best products to the market and earning the opportunity to be your supplier of choice.
